MEMORANDUM FOR: DDCI (information)
ED/CIA (action)

General Harris Hull called from NORAD in connection with the recent brief flap over two unidentified aircraft coming at us from the Gulf of Mexico. Harris was voluble and vague, and I uh-huh'ed him, being on the open telephone.

On reflection, what he wanted was for me to tell [redacted] to tell the right person (General Stocking) in the Pentagon to tell a Colonel Wilson on Harris' staff that he (General Hull) should also be cleared for activities which were going on and which I probably knew all about.

I have no intention of calling [redacted] Maybe Pete Scoville or [redacted] can help.
